

Burnsview Community Scholarship Package 2024

Deadline: May 8, 2024* @ 3:30pm

***Note some scholarships have additional applications due Apr 30 - May 3**

Students may apply for five (5) Community Scholarships from the attached list. You can apply for more than one (1) with the same application.

Review the eligibility criteria on the scholarship list and select up to five (5) for which you meet the requirements. Fill out each section of the application in full with as much information as possible. Also include if *Financial Consideration* is applicable to you because many awards take that into consideration. *Financial Consideration* means that would otherwise have to take out student loans to attend post-secondary.

Criteria is specified by the donor and may require you to include additional documents such as an essay or letter due on their due dates. These should be single spaced and clearly state how you qualify for the award. Print these as separate attachments along with your completed application to hand in. Incomplete applications have no guarantee that they will be considered by the committee.

The scholarship selection committee is comprised of teachers, counsellors and administrators who meet to evaluate the applications. Generally the bullet points below are considered when selecting a recipient. A blank *brag sheet* is attached for you to include extra activities you have been involved in. Credit courses and paid employment do not count towards volunteer hours or community service. A *Brag Sheet* is attached where you can really shine by providing more details.

- Donor specific criteria*
- Academic honesty and student behavior
- Student involvement in school activities
- Student involvement in community activities

Print and hand in your application to me, Mrs. Van Geemen in the Career Centre. I am here Monday—Wednesdays during school hours. If I'm away from my office, slide your application under my door at Office 108D located in the Career Center beside the Library. If you submit your application package late you will not be considered for the award until after all immediate applicants have been reviewed.

Recipients of awards for top scholar or academic excellence:

Grade point average will be calculated using all grade 11 & 12 courses or as specified by the donor. Email Mrs. Van Geemen at svangeemen@deltaschools.ca if you have any questions.

Winners will be announced at the Valedictory Ceremony at the end of the school year.
