

We at SRBC are a Family of Servant Missionaries making disciples of Jesus in Surrey, North Delta and beyond. Practically, this means we love and care for each other as a family, walking together with our community through life's ups and downs and providing emotional, spiritual and financial support.

The SRBC Education Bursary supports students who have an educational financial need and have demonstrated shared values of family, community, love, care and support. We do not discriminate on the basis of race or religion. We are interested in the mark you are making or hope to make on your community.

To be eligible to qualify for an Education Award, you must certify that you meet these three requirements at the time that you apply: Check to acknowledge.

- I have been a resident of Surrey or North Delta or a regular adherent of SRBC for at least six months.
- I have plans to attend an accredited Canadian university, college, or technical school within one year of being accepted for the Bursary.
- I have a Canadian Social Insurance Number (SIN) and will provide it to SRBC if selected.

Selection Process:

There will be up to four individual bursaries per year in the amount of \$1000, each renewable for a maximum of four years. Funds will be paid to the student on receipt of proof of full-time registration at a post-secondary institution.

The post-secondary program can be either academic or vocational training.

To be considered, submissions must be submitted electronically by **April 30, 2024**, to bursary@srbc.ca and include:

- a completed application
- a copy of your academic transcripts. For those re-educating, submit a written plan for your re-education.
- one academic/school reference letter and one personal reference letter. For those re-educating, submit two personal references if a school reference is not available.
- a written statement or video as outlined below.

Bursary recipients will be notified by June 1, 2024. Prior to receiving the funds, the successful candidate must be registered for a full course load (as designated by the institution) in a post-secondary program. The committee may consider exceptions to this requirement for candidates in extraordinary circumstances. Funds are paid directly to the student when a receipt for tuition fees is provided by the student.

A post-secondary institution shall be defined as follows:

- a recognized university
- a college offering transfer courses
- an institution which prepares students for specific trades and vocations, and which is recognized and supported by the government (e.g., BCIT)

Bursaries are classed as earnings and are reportable to the CRA. For this reason, bursary recipients will be required to provide their Social Insurance Number to Sunshine Ridge Church prior to disbursement of funds.

Student Information:

Given Name(s)		Family Name	
Address			
City, Province		Postal Code	
Contact Phone Number		Alternate Phone Number	

Type of training/study planned for next year:

Which institution do you plan to attend?	
In which program/faculty do you intend to register?	
Which career are you planning to pursue?	

Most Recent School Attended:

School Name & District	
Expected date of secondary school graduation (if applicable)	

Written Statement/Video Presentation

In a written statement (500 words maximum) or video presentation (four minute maximum), include your responses to the following:

1. Describe your financial need.
2. What are your post-secondary plans and what has led you to this choice?
3. How are you making a mark or planning to make a mark on your community?

Your written statement or video presentation must be original content (copyright-free) and submitted in English. If you choose to submit a video, it is to be shared with SRBC as an unlisted YouTube link.
